

LIVING AND LOVING LIFE ON THE WATER

MY HOME SWEET HOME GOES EVERYWHERE I GO

OUR LATEST ESCAPADE

We travelled the complete Rideau system from Ottawa to Kingston & the St. Lawrence River from Kingston to the Ivy Lea US Bridge at Georgina Island. What an amazing journey admiring the beautiful scenery and meeting the welcoming local boaters and residents.

Have you ever boated on the Rideau Canal or the St. Lawrence River? Ontario has so much to offer along the shorelines.

OUR LATEST ESCAPE

BY DAWNA HAMILTON

Every summer my husband Don and I look forward to vacationing on the Blue Buy U. This year we visited the beautiful city of Ottawa along with every village and lock along the way. Some of the docks we moored at were Jones Falls locks, Dow's Lake, Morton Bay, Davis & Chaffey's locks, Upper & Lower Brewers near the St. Lawrence river entrance. On the St. Lawrence Beau Rivage Island, Mermaid Island, McDonald and Georgina Islands. Some of the beautiful sites we viewed were the Parliament Buildings, Gananoque, Thousand Islands, the Ivy Lea bridge to the USA, the Mill Art Gallery, Brown's Marina and Creative Gardens Floral Design in Westport.

FAMILY MOMENTS

We cherish the time we have with our family members. Pictured above fishing is our son-in-law with one of his proud catches over the summer while visiting us on our travels.

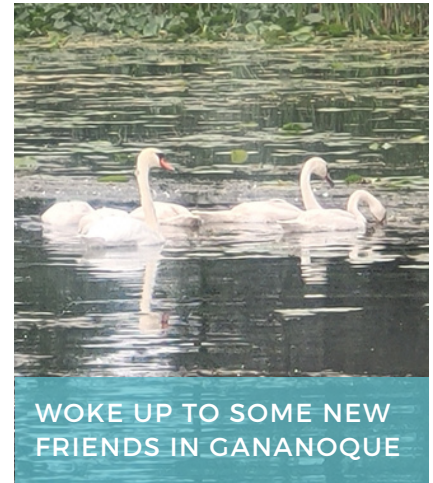

We have made many friends with our clients over the years and we love to get together and entertain them on our boat. Meeting up with friends and our Referral network is something we look forward to every year. Whether working or vacationing on the Blue Buy U, Dawna's passion for accommodating clients allows her to work and play while selling homes regardless of where she is. Hence, the real name for the boat is (THE OFFICE) LOL, don't tell Don. That's how she came up with the name of the Blue Buy U for the boat.

We're experienced in selling homes & properties along the water which has helped us acquire many waterfront clients!

Visiting the local merchants and people has been a wonderful experience year after year! We especially enjoy hearing what's new and where to go for great finds at local shops, good eats and entertainment!

VACATIONING ON THE WATER

We enjoy spending quality time on the Blue Buy U talking about everything including shop, LOL, with my partner Sue & her husband Jim. Vacationing on the water by boat is a pastime Don and I have enjoyed over 25 years of boating with all our vessels. Dudley our cocker spaniel is always eager to come along for the ride, I think he enjoys it as much as we do!

DOW'S LAKE PAVILION OTTAWA

Along with the pavilion's restaurants we're in the heart of Ottawa's little Italy, fine dining at it's best! We love entertainment and exploring in our great city. Thousands of boaters are discovering what this city has to offer every year. Sharing these experiences with others is what we love to do.

PRECIOUS MOMENTS

DAWNA HAMILTON WITH GRANDSON

Our travels wouldn't be complete without experiencing special moments with our family. We're hoping our grandson will be the next captain of the ship. I think he already is!

VISITING WATERFRONT ONTARIO

Some of our favorite memories are meeting with the locals along our travels, but nothing is as special as sharing our 36th Anniversary together on the boat in the summer of 2022. Visiting parts of Ontario from the water is a whole different experience and we hope to make many more!
